FROM THE PRINCIPAL

Dear Parents, Friends, Staff and Students of Caroline Chisholm College,

At our ANZAC Ceremony last week, our Year 11 History students presented us with some very serious challenges about whether we are living lives worthy of the sacrifices made by Australia's service men and women. They compared the things we think of as hardship and sacrifice in 2016 (getting enough sleep, picking up litter, doing homework) with the life changing sacrifices made in the wars our nation has been engaged in. They really put our 'first world problems' into perspective. The presentation was really about love and service; a love so deep and service so selfless that it has forged our country's identity.

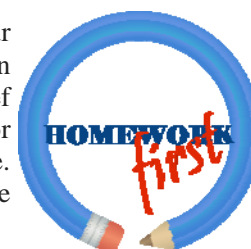

The ANZAC legend, despite its violence, suffering and loss, is ultimately a story about love - not a soft fluffy love: but love that inspires service. Love that requires sacrifice. Love that puts others, and the entire nation, before individual needs. The ANZAC legend is ultimately a story of service - a belief that we owe an obligation to serve our community; that we don't get a free ride; that we must not assume other people will serve if we don't feel like it. A service that requires sacrificing my own desires so that other people can live and prosper.

When we attend an ANZAC service and see the old diggers with their medals, or, as many of our students who marched at Warragamba this ANZAC Day had the privilege of wearing the medals of a relative who served, we should ask ourselves: can I love and serve as these people have loved and served? In doing so, we can follow the example of Caroline Chisholm and draw closer to the mission given to us by Jesus Christ: to love one another as I have loved you.

Term 2 is well under way and Year 12, having returned from their half-yearly exams, are focusing on closing the gaps in their learning and completing their major works. I spoke to them on Monday morning and reminded them that there are no short cuts to success, they must work hard and struggle through the things they find difficult. As they say 'There is no elevator to success - you have to climb the stairs'!

I want to invite you again to join us for our Homework Forum on Monday May 9. This is an opportunity for you to listen to a brief presentation from Mrs Jessica Austin, our counsellor and to join in conversation with our senior teachers to help you develop the skills you need to support your daughter with her learning at home. I really hope you can make it, even if it is to ask us the really challenging questions. Please email rwilson2@parra.catholic.edu.au to book your place at this important event.

CAROLINE CHISHOLM COLLEGE

As we mark the ANZAC Centenary, we remember all who lost their lives through Australia's involvement in wars, conflicts and peacekeeping operations. On ANZAC Day, we especially remember the courageous actions undertaken by the Australian and New Zealand Army Corps during the First World War. On this national day of commemoration, we pray for the airmen, sailors and soldiers who died in battle, sacrificing their lives while on duty. We commemorate their bravery and pray for the families who lost loved ones, and the many women who carried a great burden for our country. As we strive for peace in Australia and the world, help us to become instruments of your peace. We ask this prayer through Christ our Lord.

Amen

Mr Greg Elliott
Principal

Caroline Chisholm Library

Caroline Chisholm College is committed to excellent learning for all students, and that learning does not stop when the bell rings at the end of the day. We wish to support parents as they support their daughters. Some of the questions we hope to address and discuss include:

- How much is too much?
- How do I motivate my daughter?
- What if I don't get it?
- How can I support my daughter's well-being and mental health?
- What are the school's expectations?

We will hear brief presentations from the Principal and from the College Counsellor. This will be followed by table discussions with leading teachers from the college. This is a parent only event.

If you would like to attend, please RSVP to rwilson2@parra.catholic.edu.au by Friday May 6, 2016.

FROM THE ASSISTANT PRINCIPAL

Uniform in Term 2

Thanks to all the girls who have been turning up so smartly in their blazers and stockings. They look very impressive and are wearing the uniform well. They are great ambassadors for the college in the local area. Students are expected to wear the blazer to and from school each day. They can wear a jumper under the blazer and can remove the blazer at school if they wish but it must be worn from leaving home to entering the school grounds and the opposite on the way home.

At this stage, all students who do not currently own a blazer should have made contact with their Year Leaders to sort out arrangements for purchasing one. Students who have not spoken to their Year Leader and are not wearing blazers will receive diary warnings for being out of uniform. The uniform shop is open Tuesdays from 8-11.30 am. Stockings can be purchased at any time from the student office for \$9.

Parents do not need to personally attend the uniform shop to purchase uniform items. A request can be made in an email to the uniform shop manager, Karen Chester, at kchester@parra.catholic.edu.au at any time. Alternatively, parents can phone an order through to the uniform shop during its opening hours. Mrs Chester will arrange for fitting your daughter for the item (if required). Credit card payment can be made over the phone by calling during the opening hours on Tuesday morning. Simply phone the college and ask for the uniform shop.

An optional uniform item for cold weather is a scarf. Only navy scarves are to be worn with the uniform. Any simple navy scarf is acceptable. It is not acceptable to have scarves which are only predominantly navy or have a fancy texture or fluffy finish. They can also be purchased from the student office for \$10.

If a student is not able to wear a mandatory uniform item for some reason, she must have a parental note explaining the reason to avoid getting a diary warning. The plain navy scarf, however, is an **optional** uniform item which means it cannot be replaced with an alternative, even with a parental note.

“Doing the Right Thing Awards”

Students who provide service to the college for a variety of reasons are eligible for a “Doing the Right Thing Award”. Congratulations to **Jemma Cashel** (7 Gilmore), **Teah Seychelles** (8 Kenny), **Elena Azzopardi** (8 Jackson) and **Lily Marmont** (8 MacKillop) who receive vouchers for the canteen for being the students drawn from the box. All students who put in award slips will have points credited to their house.

Appreciation of Honesty

Students at Caroline Chisholm College regularly display outstanding honesty in returning items they find on the college grounds. Often these can be of quite substantial value. Students handing in found items receive a certificate of appreciation. I would like to congratulate the following students who have handing items in over the last fortnight: **Tayla Gallen** (7 MacKillop), **Bianca Rowinski** (7 MacKillop), **Saffron Snowball** (8 Gilmore), **Olivia De La Mare** (10 Gilmore) and **Maddison Pepperell** (10 MacKillop)

**PEER SUPPORT 2016**

Peer Support is a peer-led program which aims to foster the mental, social and physical wellbeing of the youngest and newest members of our community. The program ran throughout Term 1 and involved 35 trained Year 10 Peer Support leaders working with groups of 12 Year 7 students. These sessions were aimed at providing the Year 7 students with a supportive environment in which to develop their skills, understandings, attitudes and strategies essential to assisting them to adapt to the high school environment.

The program finished on the last week of Term 1 with fun and games and a barbecue. The Leaders were acknowledged in front of the whole group and thanked for their generosity of time, leadership and friendship. The loud applause and cheering certainly demonstrated the success of the program!

I would like to take this opportunity to thank and congratulate our hardworking and talented Peer Support leaders for 2016:

Kaitlyn Patterson, Hannah McCrorie, Abbey Tricot, Naveena Stephen, Alissa Anastasio, Maddison Pepperell, Maddison Harvey, Courtney Camenzulia, Jessa Laguna, Georgia Wood, Lily Danby, Cassandra Sidhom, Lucy Shaw, Zali Dolan, Jayde Vincent, Chloe Green, Brittany Jones, Ella Berryman, Indianna Hutchinson, Zoe Whiley, Isabella Knowles, Kayla Sycz, Chloe-Anne Cortes, Bethany Neal, Claire Doherty, Isabelle Kitchener, Stefany Latty, Daniella Apap, Brook Oberman, Ashleigh Pratsch, Adriana Azzopardi, Lily Xiberras, Chloe Bowen, Rochelle Connell and Ashleigh Ballantyne.

Being a Peer Support leader is great fun, and I would say if you can do it, then do it. You get to be an inspiration, and a leader for the Year 7s. It feels good to be able to answer their questions, and tell them the tricks and trades of being in high school. It makes you feel mature and have responsibility, and it's a great opportunity to have someone look up to you.

Maddison Pepperell, Year 10

Being a Leader in the Peer Support Program changed the way I would talk and interact with people. My social confidence has been boosted from this experience due to the kind hearts of the Year 7s who made me feel comfortable to talk and co-operate with them.

Since I moved to this school in Year 9, I found this program to be beneficial for the way I am today because I feel more at ease when talking to people without any concern.

Would really recommend to the next Year 10 students who wish to take part in a program where you can get to know more students who attend the school and like me if you struggle with your social abilities!

Chloe Bowen, Year 10

The 2016 Peer Support Program was a very enjoyable program to be apart of. It is very beneficial for both Year 10 and Year 7 students. It taught us Year 10's responsibility with being organised to teach younger peers while making an engaging lesson. The Year 7s benefit from this by hearing our personal opinions and ideas on particular areas of school (i.e school organisation skills and homework) and how they can use and interpret that information for themselves. Overall, I thoroughly enjoyed this program and taking the responsibility of being a peer support leader.

Lucy Shaw, Year 10

Peer Support has helped me improve on my skills of making new friends as I start my new journey at high school.

I have enjoyed seeing and getting to know my Peer Support leaders, who gave me the courage and the strength to participate in group activities and group discussions. They are great leaders and friends also.

My Peer Support leaders made things fun and educational and without them, I wouldn't have felt as confident as I am now.

Isabella Fava, Year 7

CAROLINE CHISHOLM STUDENTS AT ARTEXPRESS AT THE ARMORY AND HAZELHURST

Year 12 Visual Arts students, Kayla Galea and Brooke Tavares from the class of 2015 had their works selected for exhibition. Kayla's work *21st Century Afterlife* exhibited at Hazelhurst Regional Gallery, Gympie, was a ceramic work that played with the Ancient Egyptian tradition of providing for the afterlife with objects valued in their everyday life. Kayla's canopic jars incorporated imagery and branding from our 21st century consumer world.

Brooke Tavares' ceramic series *Those Crazy Kids* was a work influenced by Australian artists from Mambo such as Reg Mombassa and was exhibited at The Armory at Sydney Olympic Park.

**CLAY GULGONG**

During the last school holidays, Ms Wood and Mrs King were invited to speak at the international Clay Gulgong Triennale about student ceramic works and ceramic programs at Caroline Chisholm College. The Triennale is run over a week at Gulgong and attracts over 500 delegates from across the world. During the week, there are workshops, lectures, masterclasses and exhibitions by invited artists from Australia, United States, Japan, Spain, Italy, United Kingdom and New Zealand. We were invited to bring some student works that were exhibited for two days in the main registration area and attracted a great deal of attention and positive comments.

The student works that were featured in the exhibition were Year 12 HSC Bodies of Work from **Heather Alexander** (2012), **Marissa Piccirilli** (2013) and **Alana Thomas** (2015). Year 10 works by current Year 12 students **Nicoletta Bellino**, **Jasmine Clarke** and **Amber English** were also included. These were three of the works that were featured in the Penrith Regional Gallery exhibition "Notanda" in 2015.

We were very proud to be able to showcase our students' works in the exhibition and in our presentation at such a prestigious event.

ZULUHA: A CELEBRATION OF LOFA COMMUNITY AND CULTURE

Over the past term, a group of 12 dedicated Visual Arts students from Year 10 and Year 11 have been working on a special project with **Mrs King, Ms Wood** and **Ms Eyles** on Wednesday afternoons. Caroline Chisholm College has been invited to work in partnership with Penrith Regional Gallery, Penrith City Council, Mamre House and the Liberian Lofa Community to produce artworks for a special exhibition to be opened on 28th May at the Gallery. The purpose of the exhibition is to celebrate the culture and stories of the Lofa community. Lofa is a region of the African country. Liberia and Mamre House has been working with members of this community, many of whom are refugees having fled war in their region of Liberia.

Our first step in the project was to visit Mamre House and meet members of the Lofa community, Justin and Wemor who talked about the foods they grow at Mamre House and the importance of these fresh foods for the health of their community. They showed us around the farm and invited us to sing a traditional Lofa song, Zuluha, which is about working together.

For our second session, we met artist Mehwish Iqbal who has recently exhibited at Blacktown Arts Centre as well as in a number of Australian and international sites. Mehwish's printmaking and textile works focuses on the stories and memories from her homeland Pakistan as well as the strength of women to adapt and bring ideas and skills to new contexts. Her work was layered and complex and will provide the inspiration for our works.

We have now developed drypoint etchings of significant objects and plants connected with the farm and will now be printing the works and incorporating images and objects into the final works. We will be recording this in our blog shortly so watch this space.

YEAR 11 AND YEAR 9 VISUAL ARTS AND PHOTOGRAPHY EXCURSIONS TO COCKATOO ISLAND

Late last term, Year 11 and Year 9 Visual Arts and Photography students visited ARTEXPRESS at the Armory at Sydney Olympic Park to look at outstanding HSC Visual Arts works from the 2015 Visual Arts HSC examination.

On both excursion days, the girls then caught a Rivercat to Cockatoo Island where they were given a tour by the Biennale Education staff of the contemporary art works from the 20th Biennale that were installed across the historic buildings on Cockatoo Island. Japanese artist Chiharu Shiota's work in the 19th century girls' home was particularly moving. The girls also used the day to take photos for other works that they will be working on over the next term.

ANZAC DAY MARCH

ANZAC DAY QUOTES

Representing Caroline Chisholm College on ANZAC Day by participating in the Warragamba ANZAC march was not only a honour; it was a privilege. Our participation in the march give us the opportunity to appreciate, show our respect and remember the men and women who had sacrificed their lives and fought for our country during WW1. Being a local in the Warragamba and Silverdale region, it gave me great pleasure to represent my school on ANZAC Day.

Sarina Attard (Year 12)

Caroline Chisholm College had the honour and privilege to march during the Warragamba commemorative ceremony on ANZAC Day. Having not previously participated or experienced an event like this further enabled me to recognise the sacrifices of our soldiers. It made me proud to not only represent our school at the service but my family who were there, by wearing the symbols as a tribute to the memory of the past, present and fallen soldiers.

Danielle Todd (Year 11)

To me, being given the opportunity to represent the College at the Anzac Day March made me feel extra special. It was a chance for us to show our respect and gratitude to those who fought, protected and served for our country. I felt an amazing amount of pride as I marched with the rest of my peers. Overall it was an emotional and wonderful experience.

Chloe Cunningham (Year 8)

Having the opportunity to march on ANZAC Day wearing my father's medals filled me with pride, as I was able acknowledge his dedication to our country.

Lila Anderton (Year 7)

Marching with Caroline Chisholm College on Anzac Day was a day of respect, remembrance and pride.

I have respect for all involved in the wars – Soldiers, nurses and their families, the ones who served and survived and the loved ones left behind to grieve for our fallen soldiers. Remembrance for the sacrifices they made to protect our country.

I think of what the soldiers went through from stories told in the service and think of my recently passed Great Uncle who served in Vietnam on the front line.

I proudly wear my 2 Great Great Grandfathers medals from World War 2 – from the Navy and the Army. I am a proud generation and one of much thanks for the lifestyle we have in Australia.

Mia Hosking (Year 7)

PDSSSC OPENS FOOTBALL

On Monday the 4th of April, Caroline Chisholm Students competed in the Opens Football Gala Day.

Our first game was against OLMC and resulted with a one nil win; it was a great first game, with all the girls showing high intensity. The second game of the day was against St Columba's, where we came out with a 1 all draw. The team played well showing their skill level and their ability to work as a team. The final game of our pool was a friendly match against the Wildcards. The girl's hard work paid off as we reached the semi finals to play St Mark's. It was a tough match with both teams showing great passion, with their ultimate aim to reach the Grand final. Our girls showed great enthusiasm and dug deep to come out with a 3-1 win, with our goal scorers being Emily, Sarah and Nicki. From this win we have now advanced to the Grand Final, which will be against St Columba's. Our success on the day would have not been possible without the help of Miss Grego who organized the team and was a great coach.

The team consisted of:

Nicoletta Bellino	Sarah Cordner	Isabella La Malfa	Melanie Or
Isabella Bird	Shania Ellul	Hannah McCrorie	Emily Perring
Devan Brown	Kaitlyn Gogan	Lillian Neal	Abbey Tricot
