Open Days & Info Sessions

Uni of Melbourne Interstate Student and Family Information Day – In Melbourne

Monday 16 April

Rather than focussing on course information readily available on our website, this event looks specifically at the Melbourne experience for interstate students.

The program includes information about the application process, scholarship opportunities, student services, accommodation options and financial assistance. You'll also have the chance to ask current interstate students about their experiences and hear how they managed the transition to Melbourne. Experience what it's like to live in one of our [Residential Colleges](#) with lunch in a college dining hall as well as a college tour.

Find out more -

https://futurestudents.unimelb.edu.au/explore/events/victoria_and_interstate/victoria/interstate_student_and_family_information_day

US & UK Universities Seminar in Mandarin

Tuesday 13 March 6pm - Strathfield

Elite US and UK universities are the hubs of innovation and the best places in the world for accelerating ambitions and providing unmatched career-building opportunities.

The application process is highly competitive but gaining admission is still possible, especially if you have the right guidance.

Find out more - <https://www.eventbrite.com/e/us-uk-universities-seminar-in-mandarin-sydney-tickets-42450309017?aff=erelexpmlt>

US College Sport Scholarship Seminars

Do you love your sport and want a world-class education at the same time? Don't miss out on the chance to hear from former student-athletes about how to get a US College Sport Scholarship.

Find out how to navigate the recruiting process, the benefits of being a student-athlete and the how to make your application stand out from the crowd. Open to students in years 9-12. Use the code 'MHS' to get free tickets to any of our events around Australia.

Workshops & Courses

NSW High School Study Skills Course

Organisational skills, exam techniques and stress relief for High School students in years 7 - 12 in 2018!

This six hour workshop will help you power through your assignments and your exam preparation whilst leaving you with strategies to manage your own stress levels!

For further information contact enquiries@australiangiftedsupport.com or 0417 208 562

Find out more - <https://www.eventbrite.com.au/e/nsw-high-school-study-skills-course-april-2018-tickets-42934908467?aff=erelexpmlt>

Secrets of the HSC Seminar

Saturday 24 March 3.30pm - Chatswood

Learn what schools don't tell you in this ONE HOUR seminar presentation that demystifies scaling and the HSC. Learn what it takes to achieve your desired ATAR score as early as possible.

Find out more - <https://www.eventbrite.com.au/e/secrets-of-the-hsc-seminar-chatswood-saturday-24th-march-2018-tickets-43635931245?aff=erelexpmlt>

Green Army Program

Are you aged between 17 and 24 and interested in gaining practical training and experience while being paid to work in your local environment?

The Green Army is open to school leavers, gap year students, graduates, and job seekers. While the Green Army Program will close on 30 June 2018, there are still opportunities to engage in Green Army projects that were previously announced.

Find out more - <http://www.environment.gov.au/land/green-army/join-the-green-army>

Women Rock IT Broadcast

Thursday 15 March, 3pm AEDT

Hear from Dr Jenine Beekhuyzen, an advocate for diversity in IT, as well as from the winners of the 2017 Tech Girls Are Superheroes competition. Find out about the benefits of a career in technology and connect with successful female role models.

Register for the online broadcast here – <http://csrinfo.cisconetspace.com/WRIT-TechGirlsareSuperheros.html>

Senior Dance Workshops: Years 7-9

The NSW Public Schools **Senior Dance Workshops** is a **2-day intensive workshop** for students in **Years 7, 8 & 9**. These workshops are an excellent opportunity for students to be involved in a challenging and stimulating dance education program.

Monday 9 & Tuesday 10 April 2018

Find out more - <http://www.artsunit.nsw.edu.au/years-7-9-state-dance-workshops>

State Junior and Senior Music Camps

Talented music students join together for one week each year to receive expert tutelage and develop their performance skills. Participants rehearse and perform high quality repertoire culminating in a concert for families and friends on the final night of the camp.

Junior Music Camp (Years 5-8): Sunday 22 July - Friday 27 July (week 1, Term 3)

Senior Music Camp (Years 8-12): Sunday 1 July - Friday 6 July (week 10, Term 2)

Applications for 2018 are now open! [APPLY HERE](#)

Find out more - <https://www.artsunit.nsw.edu.au/state-junior-and-senior-music-camps>

Talent Development Project Foundation

Every year up to 50 public school students from around New South Wales are selected to take part in this unique program. Throughout a year of monthly master class workshops, conducted by industry experts, this number is reduced until only those deemed ready to begin a career in show business remain.

Auditions will be held over 3 days on Tuesday 24th, Thursday 26th and Friday 27th April.

Applications are open now - <http://www.talentdevelopmentproject.org.au/apply-now/>

Find out more - <http://www.talentdevelopmentproject.org.au/>

HSC in the Holidays March Seminars

Our subject-specific seminars have been designed to provide you with the insight and understanding from our expert HSC Teachers in the lead up to the half-yearly exams.

University of Newcastle Sunday 11th March

Find out more and register - <https://hscintheholidays.com.au/our-program/hsc-half-yearly-examination-seminars/>

GoIT Girls program

GoIT Girls program is a week-long work experience program aimed at female students in years 10 and 11.

The participants meet senior executives from our company and from our clients who provide insight into the various STEM roles that exist across the business spectrum, with the hope of inspiring a new generation of innovators, problem solvers and STEM professionals. The aim is to provide insight into and challenge stereotypes, of the technology industry and challenge gender occupational stereotypes.

Sydney

19th March - 23rd March 2018

4th June - 8th June 2018

27th August - 31st August 2018

19th November - 23rd November 2018

To apply for a position in the program [click here](#).

Find out more - <http://info.tcs.com/csr-anz-stem>

GoIT Girls @ Westpac

Delivered over five days during the April school holidays, GoIT Girls @ Westpac is designed to enable young women who **have already participated in the GoIT Girls** work experience program to apply the skills they have learnt through their high school studies in the Group Technology team at Westpac.

It is a structured program that allows students to experience applications of technology at Westpac and contribute to real business issues. It will also provide them with an insight into the variety of different roles in the IT industry, whilst hearing from industry leaders at Westpac and understanding how they too can pursue a career in technology.

Applications for 2018 will open in March.

Find out more - <http://info.tcs.com/csr-anz-stem#three>

Health professionals talk about why they love their jobs

My Health Career has a few great interviews with health professionals about the reasons they love their jobs.

Check them out – there are [psychologists](#), [pharmacists](#), [exercise physiologists](#), [doctors](#), [dentists](#) and [nurses](#).

Women in STEM Activity

This online activity can be accessed by teachers, parents or students, and is designed to inspire young women to pursue careers in STEM. Students will hear from Women in STEM mentors and find out about careers in STEM industries.

More information – <https://dayofstem.com.au/wis.html>

Why You Should Reconsider The Traditional Uni Path

Nowadays, there are plenty of other study options around that are much better suited to many of us. They're great for those of us whose learning styles don't particularly agree with the conventional approach of university.

Read the article - <https://www.jmccademy.edu.au/news/why-you-should-reconsider-the-traditional-uni-path>
