Dear Parents & Carers

We would like to invite you and your families to the Year 7 Welcoming Barbecue which will be held at Caroline Chisholm College on Friday, 15 February 2019 from 6.00pm - 7.00pm in the COLA..

The event is an opportunity for us to come together as a community, for parents, teachers of Year 7 and the girls to meet each other. We will share a light meal and your daughter will have the opportunity to introduce you to some new friends and her teachers.

If you are able to attend, please click on the [linked Google Form](#) and enter your details, including the number of family members attending and any dietary requirements.

If you are unable to access the form, please contact Mrs Karen Chester at the college on 4737-5505. We look forward to seeing you at our first community event.

Yours sincerely

Ms Clare Thompson
Year 7 Leader of Learning
